SCORE A GREAT DEAL WITH THE AFLPA

PAST GREATS HAVE THEIR SAY.

DAVID PARKIN

"Australian Rules football has always been a tough game which takes a heavy toll on the players' bodies. I congratulate the AFLPA for arranging this generous health cover solution for past players."

DEAN KEMP

"Footballers realise that you can't take your health for granted, especially after you've finished in footy. If you've had health cover before and let it lapse now is the time to take advantage of this great opportunity to get yourself covered."

GERARD HEALY

"If you have health cover or are thinking of switching, I urge you to take a good look at this offer. You'll get fantastic cover at a great price, plus the AFLPA are subsidising the hospital excess for you."

PRIVATE ROOM GUARANTEE

If you requested a private room and it's not available to you during your pre-booked overnight stay in a Members' Choice Hospital you will receive \$50 a day up to a maximum of 5 days per stay.

A private room must be requested at least 24 hours prior to your stay. The payment of \$50 per day will only be paid if you're eligible to receive benefits under your Medibank Private cover for the treatment you received during your stay. The Private Room Guarantee does not apply where your doctor considers that for clinical reasons you should be located in a shared ward, or for same day admission, or for admissions for sleep studies.

WAITING PERIODS WAIVED

Take out Priority Hospital cover before 31 December 2006 and we'll waive the 2 month waiting period. Plus, if you also take out Priority Extras cover before 31 December 2006 we'll waive the 2 and 6 months waiting periods.

Other waiting periods including the 12 month waiting period for Pre-existing Ailments apply.

FREE DENTAL EXAMS

A great benefit of Priority Extras cover is a free dental exam, scale and clean twice a year at any Members' Choice dentist. This means every member on your membership can receive two treatments per year valued at over \$200!

\$50,000 ACCIDENTAL DEATH BENEFIT

With Priority Hospital cover the contributor is automatically covered for a \$50,000 Accidental Death Benefit at no extra cost.

The insurer is Tower Australia Limited ABN 70 050 109 450 (AFSL Number 237848). For a more detailed explanation call 131 680 to obtain a Product Disclosure Statement.

NO EXCESS FOR CHILDREN

We understand that taking care of your children is important. That's why with Medibank Priority there is no excess for children when they are admitted to hospital.

SWITCH TO MEDIBANK PRIORITY

Recognition of your annual limits

Switch to both a Priority Hospital and Priority Extras cover and the time you have held extras cover with your current fund will be recognised in the annual limits for your new extras cover. After all, this is about getting a great deal. Talk to us for details.

Medibank Private will review each application on a case by case basis and will determine the annual limits for benefits based on your current cover.

No new waiting periods

If you have already served equivalent Medibank Private waiting periods for your current cover with your existing fund, you won't have to serve them again when you switch to an equivalent level of cover with Medibank Priority.

Switching is easy

Just tell us you want to join, we'll take care of the rest. It's that easy.

HAVE YOU LET YOUR HEALTH COVER LAPSE?

Save on tax

If your taxable income is over \$50,000 per year (or \$100,000 combined as a couple and most families) you have to pay the 1% Medicare Levy Surcharge if you don't have an appropriate level of hospital cover for you and all of your dependants. With Medibank Priority Hospital cover you can reduce your tax by being exempt from the Surcharge.

Savings apply proportionately for the period during the tax year when an appropriate level of hospital cover was held.

Accidents happen

You may be aware how much a knee reconstruction could set you back, but what if your child has an accident and needs to be admitted to hospital? Don't take the chance. Talk to us for more information.

Looking after your everyday well-being

Enjoy the added benefits of Medibank Priority Extras cover even when you are in perfect health, such as having cover for remedial massage and acupuncture (available under Priority Gold and Priority Silver Extras covers). Plus our *feelbetter* Rewards program gives you access to a variety of special offers tailored towards leisure and lifestyle, entertainment, health and well-being and everyday living.
